

TRAVELLING BY CAR

Tarifa Lodge is located in La Peña, 8 km past Tarifa village in direction towards Cadiz. La Peña is bedded in the middle of the natural park de los Alcornocales, only 2 km off the beach.

How to find us coming from Málaga or Gibraltar

*When you reach Hotel "Dos Mares" follow the road for further 2 km, passing "**Camping Tarifa**" and then turn sharply right into "Camino de la Pista" (km 78,5).*

Follow this small street for further 2 km until you reach the Guesthouse "Villa Maria". There you turn left on to a farm lane which ends after 300 meter at the entrance of Tarifa Lodge.

Travelling from Jerez or Sevilla

"La Peña" is situated 8 km before Tarifa village.

*Please pass the "Hotel Hurricane" and follow the road for about 200 meters until "**Camping Tarifa**". There please make a U-Turn, after 200 meters turn right to "Camino de la Pista". From there please follow instructions above.*

We recommend to rent a SUV at the airport as it will make trips to the beach and tours easier. Many roads, as well as the road to Tarifa Lodge, are not tarred due to the laws obtaining the national park.
